

WOMEN OF HABITAT KENT PARTNERSHIP OPPORTUNITIES

BUILDING STRONGER COMMUNITIES WITH WOHK

Supporting Women of Habitat Kent provides opportunities to empower women to lead as volunteers and philanthropists, while celebrating all that women can do to make a difference.

A Women of Habitat Kent partnership will give your company a way to broadcast your social responsibility strategy clearly and concisely—helping to build communities where everyone has a decent place to live.

With your support, Habitat Kent provides:

- Affordable homeownership
- Financial education and financial literacy programs
- Volunteer experiences that bring together future homeowners, neighbors and community members
- Networking and professional development opportunities specifically for women in our community

Together, we can build stronger brands while we build a better world.

YOUR IMPACT

Sponsorship is critical to our mission of bringing people together to build homes, communities and hope. You will see the impact of your contribution and feel the satisfaction of knowing that it will last for generations.

Habitat programs support families as they prepare for homeownership and help ensure that children grow up in stable, healthy homes. We do this by creating pathways to affordable homeownership and partnering with buyers throughout their homeownership journey and beyond. Our homeownership education includes classes on financial literacy, understanding a mortgage, debt reduction, home maintenance, and more. We also help homebuyers access essential down payment assistance.

Your investment in our mission provides the necessary funds to support these efforts, helping more families secure an affordable mortgage. It also ensures we can continue building new, ENERGY-STAR certified, all-electric homes, and supports our homeowner services department, which facilitates mortgage services and homebuyer education.

By investing in people, you invest in the future.

THANK YOU!

Thank you for supporting our mission to provide affordable housing to every family in our community.

You're also helping empower women as leaders and celebrating all they can do to make a difference.

Plus, partnering with Habitat Kent provides your company with a clear and compelling way to articulate your social responsibility while helping to secure the future of the community. We hope you'll join us!

A handwritten signature in black ink, appearing to read 'Brian'.
